“ Josh, your smile could light up a room and your personality made everyone feel at ease and happy. You were always there if the kids or I needed you. I remember you leading Audrey around on the horse while she smiled so big! And the care and concern you showed Kyndra, trying to get her on the right path again. But, most of I'll always remember how you were there for Derek when he needed you the most. He said you were like a brother to him. You had a heart of pure Gold and watching your beautiful children yesterday made me smile, knowing you will always live on in those three sweet souls. Joshua, sweet nephew, you're free and at peace, and we will hold your memory close until that day we get to see you again. We love you so very very much!!

“ Joshua was a wonderful man with a heart of gold. Anyone who knew him was better for it. He always made you smile and was always there to lend a hand. As we send him off today to a much better place, we keep his memory tucked inside our hearts forever. We love you! Rest in peace my friend until we see you again.

“ We loved Josh just like he was part of our family
I'm so very sorry y'all are having to go on this journey
It breaks my heart I'm not by no means going to say it's not the worst journey y'all will
ever have it is
I witnessed Josh give his heart to Jesus so I know
Where he is and we will see him again
I know klint was probably the first to greet him
Klint really loved Josh and I know Josh loved him
You can get through this tragedy with Gods help
only I couldn't have made it without him please reach out for him he will give you
peace
If you need anyone to talk to or anything please call me anytime day or night I'm just
so broken over this
